16 July 2012

Dear Dr. Zana Vathi

Congratulations! It is a pleasure to inform you that you are the winner of the 2011 IMISCOE Maria Ioannis Baganha Dissertation Award.

Selected from a total of 11 submissions, your manuscript, *The children of Albanian Migrants in Europe: Ethnic Identity, Transnational Ties and Pathways of Integration*, was endorsed for first place by the Award Committee and the two external experts who also reviewed your dissertation.

As winner, you are entitled to a prize of 2,500 euro, which the Network Office would like to present to you at the IMISCOE 9th Annual Conference on 28 August 2012 in Amsterdam, The Netherlands. You are invited to give a brief exposé (some 20 minutes) during the plenary sessions of the Conference. Should you be interested in publishing your dissertation in the IMISCOE-AUP Research Series, you are also hereby invited to propose your manuscript for review by the Editorial Committee.

Upon receipt of this message, please confirm your conference attendance with the IMISCOE Network Office (to Emilie van Tol, who will arrange practical matters with you: E.R.vanTol@uva.nl).

Warm regards,
on behalf of the IMISCOE Award Committee

Rinus Penninx
IMISCOE Coordinator
