

Using Twitter to develop our profiles as academics, to create genuine communities of practice and meaningful connections with the wider world

Irving-Bell, D., Wright, S., Wooff, D., and Moscrop, C. (2018). Using Twitter to develop our profiles as academics, to create genuine communities of practice and meaningful connections with the wider world. #SocMedHE18, 2018 Social Media for Learning in Higher Education Conference, 9th January 2019, Nottingham Trent University (Clifton Campus).

Abstract:

Using Twitter to develop our profiles as academics, to create genuine communities of practice and meaningful connections with the wider world.

Within this presentation we explore through the use of Twitter we can develop our academic profiles, create genuine communities of practice and meaningful connections
